

## LEIDY CHIROPRACTIC MEMBERSHIP AGREEMENT

Chiropractic care everyone can afford.

Your payment of \$\_\_\_\_\_ will be due every month on the date set every month for the next 12 months. If there are not enough funds in your account, a \$25 service fee will be applied. All collection fees will be added if your account goes delinquent.

Refer your friends and loved ones. If you refer a person who joins, you will have one additional month added to you membership without charge. We can only offer this program if we have enough members. Please refer others.

Vacation and Holiday schedule. Your plan gives you access to adjustments on Tuesdays, Wednesday and Thursdays. There will be some weeks throughout the year when we will be closed on Tuesdays or Thursdays. During those weeks, you will have access to adjustments on either Monday or Friday also. Vacation schedule will be posted in advance. We also reserve the right to be closed for vacation for two full weeks during the year. These weeks off will usually be scheduled between Christmas and New years, and over the 4<sup>th</sup> of July. It is rare, but is also possible that the Doctor could be sick. We do not give credit for any sick days.

We adjust the bone not the symptom. There are no guaranteed results with this chiropractic program. The idea behind regular adjustments is to keep the energy flowing through the body. We adjust the body, the body does the healing.

Cancellation. I understand that in order to cancel my dues and stop my automatic credit card debit, I need to give 30 days notice to Dr. Leidy. There will be a \$300 cancellation fee if I stop my debit prior to the end of the 12 month commitment. After the 12 month commitment, I can stop my membership by giving 30 days notice. This agreement is not transferable to any other person.
